

Sorting Categories for Simplifying Your Home

Instructions:

1. Print the following page
2. Cut out each "label"
3. Prepare a box, bag or area for each category

A FEW SORTING TIPS:

RELOCATE/REPURPOSE - Clear clutter first by finding all of the items that belong in a different room or need to be returned to the store or to someone else

RECYCLE - Be kind to the earth and recycle as much as you can

TRASH - Throw out what can't be recycled

DONATE - Give your items new life by giving them to an individual or organization that could benefit from them

SELL - Sell items that are rare or of value

REVISIT - If you're not sure what to do with an item, set it aside to revisit on a specific date

KEEP - Keep what you use and what brings you joy!
